

Congrats, Pro+ All-Star!

You're among the best of the best! Homesnap and Google would like to recognize you for providing superior client service over the past year. We analyzed more than 12,000 real estate agents on Google and determined that you provide an elevated degree of service worthy of distinction. So take a breath of this rarified air, brag to your colleagues, and put your feet up on your desk! You deserve it!

Agents like you are the reason we built Homesnap Pro+. We know that agents will always be the linchpin of the real estate industry, and our mission is to build new tools and technology to help make your job easier and more rewarding.

So thanks for being part of the 2019 Class of our Client Service Awards program. We hope to see you on the list again in 2020. Soon, we'll change your **Verified** check mark from blue to gold on your Homesnap Pro+ Enhanced Agent Profile — just a small tip of the hat from us to you, so that everyone knows you're an excellent agent to work with.

Sincerely,
